[For the National Credit Union Administration statement of organization, see the *Code of Federal Regulations*, Title 12, Part 720]

*The National Credit Union Administration Board is responsible for chartering, insuring, supervising, and examining Federal credit unions and administering the National Credit Union Share Insurance Fund. The Board also manages the Central Liquidity Facility, a mixed-ownership Government corporation whose purpose is to supply emergency loans to member credit unions.*

The National Credit Union Administration was established by act of March 10, 1970 (12 U.S.C. 1752), and reorganized by act of November 10, 1978 (12 U.S.C. 226), as an independent	agency in the executive branch of the Federal Government. It regulates and insures all Federal credit unions and insures State-chartered credit unions that apply and qualify for share insurance.

### Activities

**Chartering** The Administration's Board grants Federal credit union charters to groups sharing a common bond of occupation or association, or groups within a well-defined neighborhood, community, or rural district. A preliminary investigation is made to determine if certain minimum standards are met before granting a Federal charter.

For further information, contact the appropriate regional office listed in the table below.

**Supervision** Supervisory activities are carried out through annual examiner contacts and through periodic policy and regulatory releases from the Administration. The Administration also maintains a warning system designed to identify emerging problems as well as to monitor operations between examinations.

**Examinations** The Administration conducts annual examinations of Federal

credit unions to determine their solvency and compliance with laws and regulations and to assist credit union management and operations.

For further information, contact the Director, Office of Examination and Insurance. Phone, 703-518-6360.

**Share Insurance** The act of October 19, 1970 (12 U.S.C. 1781 *et seq.*), provides for a program of share insurance. The insurance is mandatory for Federal credit unions and for State-chartered credit unions in many States and is optional for other State-chartered credit unions that meet Administration standards. Credit union members' accounts are insured up to \$100,000. The National Credit Union Share Insurance Fund requires each insured credit union to place and maintain a 1-percent deposit of its insured savings with the Fund.

For further information, contact the Director, Office of Examination and Insurance. Phone, 703-518-6360.
